

SMOOTHER WORKFLOWS. SEAMLESS INTEGRATION. OPTIMIZE YOUR LAB RESULTS

From efficient printers to scanners that track and trace to durable materials, we have comprehensive solutions for any demanding lab environment.

BENCHTOP PRINTERS

**BradyPrinter i3300
Industrial Label Printer***
(300 dpi)

SKU: 150642

Optimize lab workflows by adding more speed. The i3300 sets up in a flash and reduces waste. Use it for vial, tube, slide and sample ID.

- ▶ Prints on the first label for zero waste
- ▶ Fast label and ribbon changeovers
- ▶ Ideal for multiple types of lab ID

**BradyPrinter i5300
Industrial Label
Printer*** (300 dpi)

SKU: 150642

A faster, easier labeling experience from intuitive operation features to rock-solid printing performance. Its high output and precision is ideal for smaller labels.

- ▶ Prints on the first label for zero waste
- ▶ Fast label and ribbon changeovers
- ▶ Print placement with pinpoint precision

**BradyPrinter i7100
Industrial Label Printer
Peel Model with Vial
Label Applicator*** (300 dpi)

SKU: 151752

For high volumes and high accuracy, use the i7100 Peel Model + Vial Label Applicator. It prints 1000s of ultra-sharp labels per day, every day.

- ▶ Crisp, trackable labels down to 0.125 in.
- ▶ Reduces labeling time for busy techs
- ▶ Large touchscreen for easy operation

PORTABLE PRINTERS

M510 Label Printer*
(300 dpi)

SKU: M510-LAB

Whether you're in the lab, field or facility, the M510 delivers high-volume, high-quality labels day in and day out.

- ▶ Create 1.5 in. labels with edge-to-edge printing
- ▶ 250+ hassle-free cartridges and 26+ materials
- ▶ Design and print from the keypads or a PC

M611 Label Printer*
(300 dpi)

SKU: M611-LAB

Design, edit and print labels – all from your Phone with the M611. Work faster by importing cloud data and connecting up to 5 users via Bluetooth.

- ▶ Share and print with app + Bluetooth/Wi-Fi
- ▶ Stores 1,000+ labels on the printer
- ▶ Connect up to 5 users at once

*Lab software available

SCANNERS & MATERIALS

FOR ENHANCED LAB EFFICIENCY

SCANNERS

CR2700 Wireless Handle Barcode Scanner (Bluetooth, 1D, 2D, QR Code)

Easily read wide and small barcodes with the ultra-fast CR2700. This aggressive, omnidirectional scanner eliminates repositioning and time-consuming re-scans of barcodes.

SKU: 176516

- ▶ IP65 seal rating against dust and liquids
- ▶ Reads curved and shiny surfaces
- ▶ Customizable visual, audible and haptic feedback

Code Reader™ 1500 Handheld Wired Barcode Scanner (1D, 2D, QR Code)

Save valuable time with a fast and reliable scanning solution. A small scanner with omnidirectional reading to help you avoid repositioning or rescans.

SKU: 176510

- ▶ IP54 rated – resists chemical, dust, water
- ▶ Reads high-density and wide-field barcodes
- ▶ Powerful JavaScript platform for complete device control

LAB MATERIALS

B-461 | Self-Laminating Cryogenic Polyester Labels

Cryogenic (applied pre-frozen), cryo straws, small vials

B-481 | StainerBondz™ Microscope Slide Matte Polyester Labels

Chemical resistance, slides, tubes, general purpose testing

B-488 | Solvent Resistant Polyester Labels

B-490 | FreezerBondz™ Cryogenic Matte Polyester Labels

Cryogenic, flat surfaces, boxes, long-term storage, pre-frozen surfaces

B-492 | FreezerBondz™ Ultra-Thin Cryogenic Polyester Labels

Cryogenic long-term storage, pre-frozen vials

B-494 | Color Polyester Laboratory Labels

Color-coded tube labeling, blood samples

B-403 | Water Dissolvable Paper Labels

Glassware (ensure proper disposal in sink)

B-7425 | Chemical and Temperature Resistant Polypropylene Labels

Cryogenic (applied pre-frozen), general purpose, long-term storage

B-7425J | Cryogenic Inkjet Chemical and Temperature Resistant Polypropylene Labels

Cryogenic (applied pre-frozen), general purpose, long-term storage

B-7425-AC | Autoclave Polypropylene Labels

Autoclave, glassware, short-term use, sterilization

B-2492 | Freezerbondz™ Inkjet Ultra-Thin Cryogenic Polyester Laboratory Labels

Cryogenic long-term storage, pre-frozen vials
