

ACTG SPECIMENS APPROVED FOR DESTRUCTION AT SITES

To: ACTG Sites and Testing Laboratories
From: The Repository Advisory Group (RAG)
Date: 22-Jan-2026

Sites and testing laboratories must not ship specimens for the ACTG studies listed below to the ACTG Biorepository. Sites and testing laboratories must destroy all specimens for studies listed in this document. The ACTG Biorepository may continue to store select specimens from some of these studies. Questions about this guidance should be directed to the Repository Advisory Group (RAG) at actg.impaact.rag@fstrf.org.
